

Opportunity Main Street (OMS) is an impact investment fund that invests with the purpose of building community wealth. OMS invests in real estate projects and small businesses in underserved communities to grow the ecosystem of supportive small business funding.

We're currently hiring an intern who is interested in impact investing and getting hands-on experience in communicating with potential impact investors and fundraising.

Duties and Responsibilities

- Compile and maintain a database of impact investors
- Outreach to potential investors
- Organize investor responses and schedule meetings with the investors and the OMS team
- Research and writing to support investor communications

Time commitment: flexible; average of 5-10 hours per week

Requirements

- Enrollment in an accredited program that provides course credit for internships
- Demonstrated interest in social enterprise and impact investing
- Strong verbal and written communication skills

Benefits

- Shadowing, mentoring, and learning opportunities with our experienced team of lawyers and finance experts
- Hands-on application of communication with potential impact investors
- Opportunity to attend and shadow meetings with potential investors and learn about impact investing
